My name is _____.

I am _____ years old.

My address is _____.

I like to play _____.

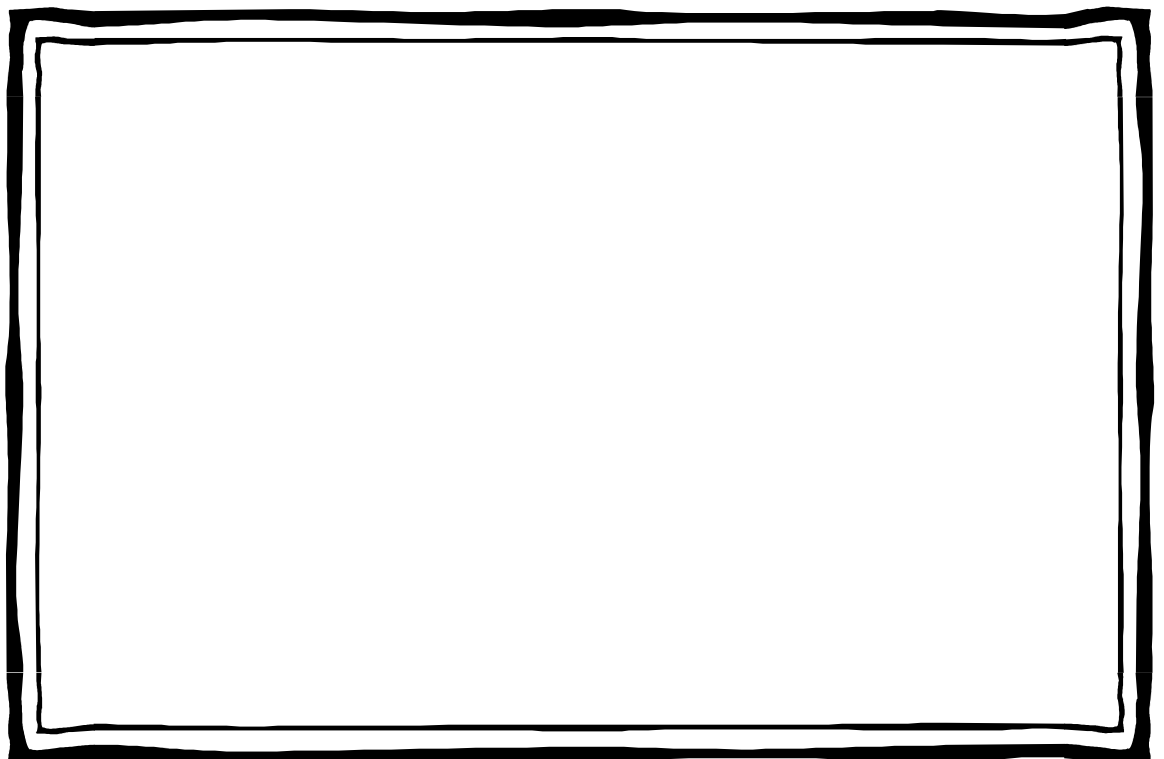

I have _____ brothers and sisters.

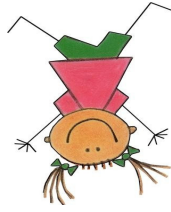

I have _____ pets.

This is me!

This is
my
family

All About Me

A Home/School Connection Project

Attached you will find our "All About Me" page. Please attach one photo of your child and one photo of your family in the appropriately labeled areas and return it on the first day of class.

We will compile the pages into book form and use them on a regular basis to learn about our classmates and their families.

Once we've had the opportunity to share the pages thoroughly at school, the book will become available for check-out (usually by January).

All pages will be returned to the families at the end of the year.

Thank you for your help in creating this classroom resource activity.

If you have questions, please contact me.

Have Fun!
