Important Notice to Parents (Spring 2019)

Parents are advised that all children must have their immunizations, physicals, vision exams and dental exams up-to-date prior to starting school in August 2019. No students will be allowed to enter school if their medical records are not in compliance with state law. Remember to schedule your appointments early in the summer and hand in all your forms at registration.

Dental exams are required for students entering Kindergarten, Second, and Sixth grade.

Students entering Preschool for the first time need a school physical, updated immunizations, and a lead test. If it is your second year in preschool you will not need an updated physical.

Preschool children age 24-59 months must show proof of receiving one dose of Pneumococcal Conjugate vaccine and one dose of the Hib vaccine if they have not already received their primary series.

Kindergarten students need a school physical, dental exam, vision exam, updated immunizations, and a lead test only if there is not one on file from preschool.

Sixth grade students need a school physical and updated immunization record. This physical will also be accepted as a sport physical. Students entering 6th grade must show proof of having received a Tdap vaccine, and one dose of Meningococcal Conjugate vaccine (on or after the 11th birthday).

Sport physicals are required for the students entering into 5th, 7th, and 8th grades if they want to participate in sports.

Nurse’s Notes

Staff Spotlight: Mrs. Alyssa Schmitt

Mrs. Schmitt is a fourth grade teacher at Lincoln School. She is in her 6th year teaching at Lincoln. Growing up she attended Lincoln and Washington school as a student. She attended LP and IVCC before continuing her education at ISU receiving her Bachelors Degree in Elementary Education. She said her favorite thing about teaching here is that we have a great community and everyone feels like family. In her free time she enjoys shopping, cooking, reading and spending time outside. When she was in elementary school she wanted to be a teacher and have a classroom of her own! One thing she would like to do is travel more and especially visit Greece some day!
